KEYNOTE/PLENARY 1

Internationalization through Global Standards in the Academe

9:30 AM - 10:30 AM

Education in a borderless world entails meeting the global standards. Schools must embrace and comply with the demands of internationalization in order to be competitive. Learn the different global standards to prepare your schools for the challenges ahead. Widen your perspectives, strategize to address the threats, and reap the benefits that it brings.

PLENARY 2

The Role of Higher Education in Developing Industrial Human Resources under Public-Private Academia (PPA) Partnership: ASEAN Best Practices

10:30 AM - 12:00 NN

ASEAN universities are in full gear in preparing graduates for tomorrow's demands. What are the values of establishing PPA partnership in the Philippines? Given the Philippine economic, social and political context, how can PPA be introduced and implemented in Philippines schools? What are the emerging trends in education in Asia and their implications in the future? Learn best practices on how schools can take advantage of what ASEAN schools have done.

Explore and experience the different thriving sceneries and destinations in Cebu. Discover the natural beauty that make Cebu a vibrant and exciting place to go.

PLENARY 3

Engaging the Workforce of the Future: The Emergence of Generation Z

1:00 PM - 2:30 PM

The emergence of Generation Z adds a new dimension and new skill set beneficial to all. Adapt ways of ensuring collaboration across all generations towards achieving institutional goals. What is the profile of the workforce generations in your school? What makes each generation work effectively? Build a collaborative relationship and learn how to engage each workforce generation. Engage people with programs and activities that inspire and raise levels of productivity.

PLENARY 4

Helping Employees Understand and Manage Taxes

2:30 PM - 4:00 PM

Paying taxes is inevitable for all employees. The rules on tax application can be complex. What is known is that penalties for non-compliance can be costly and traumatic for employees. How do we guide our employees to manage their tax compliance? What are the processes in remitting and consolidating these reports for tax remittance? Know what are the reports needed from employees with multi-employers. Have a full comprehension on how employee taxation works and learn best practices in tax enforcement.

A MUST-ATTEND for all School Owners, School Administrators, Human Resource Practitioners, Faculty, and Educators.

SEPTEMBER 1: Day 2

PLENARY 5

21st Century Skills: The Role of the Academe in Preparing Workers of Tomorrow

9:00 AM - 10:30 AM

The success of the institution lies on its workforce. The academe plays an important role by equipping tomorrow's workforce with relevant and updated knowledge and competencies. Is your school's faculty adept with the skill sets needed by tomorrow's workforce? Is your curriculum matched with the 21st century skills framework? Bridge the skill gap by aligning your programs and curriculum geared towards future workforce demands.

PLENARY 6

HR's Role in Developing ASEAN/Globally Competitive Graduates: English as a Ticking Time Bomb

10:30 AM - 12:00 NN

English is an essential language in communicating. It is the most spoken language in global businesses. Collaborative efforts are being done in order to sustain English as a competitive advantage of our current and future workforce. Learn ways to assess the English competencies of your workforce. Design programs to challenge and raise English proficiency in your school. Learn the roles human resources (HR) play to warrant the continuity of producing ASEAN/ Globally competitive graduates.

PLENARY 7

Current Legal Issues Affecting the Academe

1:00 PM - 2:30 PM

Institutions must always be grounded on the latest rulings in order to effectively handle cases and conflicts. How updated is your institution with the legal issuances in the academe? What are the new regulations that directly affect the institution and the workforce?

PLENARY 8

Relationship Management: Fostering Positive Workplace Culture and Enhancing the Benefits of Diversity

2:30 AM - 4:00 PM

With the borderless landscape created by internationalization and globalization, institutions must adapt to accommodate a multicultural work environment. Managing diversity in the workplace is a significant challenge for any institution. It is not simply acknowledging differences in people but involves recognizing the value of their differences. Organizational leaders must recognize the ways the workplace is changing and evolving. What are the benefits, challenges, and strategies in effectively managing a diverse workforce?
